

Cat Goddess Planter

As Egyptian cultures united, their Goddesses took on the new form widely shown as a cat. This regal Cat Goddess Planter is sure to bring the same majestic presence as she has for Egyptians for centuries. As a protector, your place will be guarded well. This beautiful piece stands at over 3 feet tall, and makes for a great entry or accent piece. We love custom work, and would love to enlarge this to help you really make a statement at your resort, casino or adventure theme park. Custom designed and constructed of glass fiber reinforced polymer, this amazing piece of art is safe as well as virtually maintenance free.
