

Centipede Climber

A Centipede Climber that is the perfect piece for little explorers. A favorite for little ones, this extinct species is brought to life with the realism of its appearance. Mount to walls for a creepy crawly feel or place it on a rock, like our Centipede Climber. Custom designed and part of our collection of *insect play sculptures*, the giant centipede adds an element of awesome to any location. Well-crafted of high quality materials, our pieces are virtually maintenance free, with a durable finish that is weather resistant and safe for years of interactive play.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
