

Chameleon Swing

Swing into fun with larger than life chameleons. This pair of lizards is fighting over a midday snack of dragon fly. The Chameleon Swing is amazing way to introduce children into nature themed play. It engages them and stimulates the imagination of oversized creatures. Our talented artists put thoughtful work into each hand crafted piece. This swing is made of durable glass fiber reinforced concrete. We have many themed swings available, and are always up for the challenge of a custom piece. The Chameleon Swing would be a perfect fit in any zoo or nature themed playspace. We look forward to hearing from you, so we can get to work on making these giant creatures come to life in your playground.
