

Chihuahua

One of the first animals that a baby learns to recognize is a dog. This Chihuahua Sculpture will have them laughing and yelling, "Doggy, doggy!" Its realistic design asks to play and begs for playmates with a stance of anticipation. The Chihuahua Sculpture looks great in backyard play areas, daycare center playgrounds or you may custom design a playground around everyone's favorite animal. The 4 Kids customizes playgrounds that attract and appeal to children of all ages.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
