

Chow Chow Sculpture

This regal looking Chow Chow Sculpture demands attention anywhere kids gather to play or learn. The 4 Kids team designed this unique play sculpture with realistic details and sturdy construction. Like our other dog sculptures, this one is resistant to bad weather, making it perfect for indoor play places as well as outdoor playgrounds. The colors are stable in UV light, so the tans will stay tan and the creams will stay cream. The Chow Chow Sculpture is a super-cool addition to children's museums, public parks, children's hospitals, and more.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
