

Coral Trout Sculpture

Imagine a bright red-orange Coral Trout swimming around the ceiling of your museum. All the children would Wow at the sight. This trout can be made to hang as a cool display or filled and placed on a rock for children to climb over. Allow them to engage a sensory aspect of play as they touch and inspect this interestingly painted sea creature. Crafted with durable and environmentally safe materials, this piece requires little to no maintenance.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
