

# Corgi Sculpture

---

---

This Corgi Sculpture looks ready to play. The 4 Kids team designed this climber with high-quality material known for strength, durability, and its ability to be molded seamlessly. This play sculpture--which is definitely not like standard playground equipment--will charm children and adults alike. The popular realistic finish is pictured here, and it features beautifully-rendered details, from sculpted fur to shaded markings. Don't be surprised if someone looks twice thinking it's real! Let this Corgi inject fun into your playground, play place, or attraction.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
