

# Cotton Cottage Tree House

A cottage tree house appeals to lots of people, none more than kids. If that dream cottage is located at the local park or playground, all the better!! The 4 Kids Cotton Cottage Tree House playground has all the features needed for an awesome day at the park. Designed by talented artists, the Cotton Cottage Tree House appeals to everyone. A blend of traditional playground concepts such as hanging tree swings and tunnel slides, playrooms and walkways, the Tree House sports realistic, lifelike wood accents for a true forest feel. So whether your kid is a crawler, tree climber, or the creator of make believe, the Cotton Cottage Tree House will be a favorite. The Cotton Cottage Tree House kicks up the playground fun factor for sure, but The 4 Kids' team of engineers put safety first when custom designing your playground. Tree houses are constructed with glass fiber reinforced polymer for maximum durability and low maintenance, and construction experts adhere to stringent safety standards while ensuring a high level of fun for all kids.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
