

Cougar Play Sculpture

Ferocious and posed to hunt, The 4 Kids' Cougar Play Sculpture is an example of wildlife that kids can play with. A work of playground art that captivates kids from 2 to 12, the cougar is a super playmate for kids to climb, crawl or even eat their lunches on. Getting up close and personal with a prowling mountain cat is the stuff a kid's dreams are made of, and this cougar climbing park structure is a dream come true. Crafted meticulously by our playground experts, the cougar comes in a choice of finishes, is safe, weather-resistant and virtually maintenance free. Call today to find the cougar for your playground.
