

Cracked Dino Egg Sculpture

“What’s inside?!”

Delight little imaginations with our Cracked Dino Egg Play Sculpture. This super-durable piece will spark the curiosity of preschool and elementary children. We’ve crafted this climber sculpture with weather-resistant material that makes it an ideal addition to museum exhibits, themed playgrounds, indoor play places, and schools. Invest in several sculptures as creative--yet unobtrusive--security posts, or bollards.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children’s natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
