

Creekside Cottage Tree House

The 4 Kids Creekside Cottage Tree House playground design has it all for the smallest kids to the oldest teens. A place to swing on tree swings, slide through an awesome tunnel, build motor skills and balance while honing a young imagination and even a place for meeting your friends. What an ideal setting for kids to have lunch with pals, while planning the next make believe adventure in this favorite of all Tree House structures. There's no doubt that kids love The 4 Kids Creekside Cottage Tree House, but parents, park supervisors and teachers can breathe easy knowing that this superior playground is constructed in adherence to stringent safety standards and designed by expert artists and engineers at The 4 Kids in Greenville, Texas. Glass fiber reinforced polymer construction material ensures that the playground is weather resistant, low maintenance and safe, while the superior design, crafted by artists who are experts in play equipment, ensures years of fun and excitement on the playground for children.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
