

Crouching Lion

Fiercely crouched and waiting to pounce on anyone should they trespass, the Crouching Stone Lion is definitely making his presence known. This piece is ideal for any entry way, casino, zoo or museum. Every passerby will have to touch, for the remarkable detail is impeccable. The artists in the studios were meticulous in design, down to the mane and crinkles of the skin. Make this a pair by ordering two; one for each side of your grand entrance. We also have our Duo Lion Pair Sculptures, and have many finishes to choose from. Crafted in stone or realistic, we aim to please by customizing to your liking. Contact us today to get started sculpting your lion.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
