

Cuyahoga Bollard

Accentuate your site with the Cuyahoga Bollard from The 4 Kids. This security barrier is made with glass fiber reinforced concrete, a material with a higher tensile strength than steel, so you can expect a long service life for your investment. It's also weather resistant, standing up to harsh sun, winds, and even sea spray. This unique design is perfect for properties like schools, attractions, office or residential buildings, campuses, and more. We'll size the barrier to suit your specific needs, and we offer many colors as well as color matching. Whether you're marking pathways or averting traffic, the Cuyahoga Bollard is an attractive and durable choice.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
