

Dachshund Play Sculpture

When it comes to unique play structures for kids, this Dachshund Play Sculpture is going to attract little ones. Built with strong material that stands up to active play, it's an adorable playmate for young imaginations. The play sculpture is just over 12 inches high, making it the right size for older babies and toddlers. Like many The 4 Kids animal sculptures, this one is suitable as indoor playground equipment or for outdoor playgrounds. Imagine this doggie and its sweet expression in your daycare, children's hospital, children's museum, or public park.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
