

Dalmatian

Off to play, or off on the fire engine? Kids will dream up their own answers when they see the Dalmatian Play Sculpture. We've created this climber with child-safe, highly-durable material that will hold up under active play, inclement weather, and bright sunlight. Suitable for older toddlers through elementary age children, The 4 Kids Dalmatian Sculpture is a super-fun addition to children's hospitals, children's museums, daycares, public parks, and more. This would also be an attention getting sculpture for a firehouse.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
