

# Denali Pavilion

The 4 Kids' Denali Pavilion is the perfect blend of unique and woodsy. A fascinating design, the Denali Pavilion includes a triple roof stacked to impress, and log inspired supports to create the perfect pavilion for a nature themed park, community or commercial play area. Tough as well as beautiful, the Denali Pavilion is crafted of superior construction materials that can withstand all types of weather, for a safe, virtually maintenance free building. Completely customized to meet the needs of each client, the Denali blends the lovely charm of the forest with a well-made, expertly designed pavilion.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
