

Dino Rib Climber

This Dino Rib Climber is an excellent way for kids to climb while playing in a prehistoric themed playground! This rib climber measures 10'L x 6'W. It is constructed from a strong and durable material making it ideal for outside play. This dino rib climber will promote not only imaginative play but balancing as well. The4Kids playgrounds are designed to stimulate physical, imaginative and interactive play. The Dino Rib Climber can also be used as a great prehistoric water park feature. It rains water down from inside the ribs, so the children can run under and get soaked in fun. Contact us today to inquire about our prehistoric playgrounds.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
