

Dino Bonz Climber

For the budding archaeologist, the Dino Bonz Climber is the perfect piece for prehistoric play. Featuring a set of dinosaur bones 'fossilized' in rock, the climber offers the opportunity for children to learn through play while developing their strength. Forty-eight inches high and crafted from glass fiber reinforced concrete, it is safe and durable. All of our climbers are custom designed and require virtually no maintenance in all weather.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.

Contact Us
