

Dolphin Tail Climber

Everyone who has ever watched a dolphin dive in and out of the water is captivated by its graceful tail. Now, kids on the playground have the opportunity to explore the dolphin's tail by climbing and crawling on it. The 4 Kids' Dolphin Tail Climber will put kids on the sea as a majestic dolphin dives under the surface. The muscular tail sits in mid flip, giving children a perfect piece of playground equipment. Playground art kids can play with, the dolphin tail is brilliant and breathtaking. If sea life is your thing, check it out today.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
