Take young imaginations diving beneath prehistoric waters with this Dunkleosteus Sculpture. Our artisans crafted this armored fish with realistic details that spark kids' curiosity about the ancient natural world. It's made using material that will keep its look and texture for many years, making it a smart, low- maintenance investment for your dino- themed or prehistoric themed museum, exhibit, attraction, or playground. Dunkleosteus is just one of many prehistoric sculptures we offer--check out all of them!
