

English Cocker Spaniel Sculpture

The English Cocker Spaniel Sculpture is ready to greet visitors, guests, students, or patients. This sweet-faced play sculpture is a climber made from child-safe, highly-durable material, so toddlers and elementary-age children can balance, climb, and imagine adventures with this dog by their side. Seamless molding means you don't need to worry about water or objects getting inside the sculpture. Plus, the pigments are UV-stable and the markings will maintain their look for many years. The 4 Kids offers dozens of dog play sculptures, so check them all out.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
