

Fallen Tree Tube Slide

The 4 Kids' Fallen Tree Tube Slide is not your ordinary piece of playground equipment. A staple of parks and play settings, this slide is a kid's dream come true, flying down a slippery surface with joyous abandon. This tube slide is special, however, treating kids to a thrilling ride through a hollow tree log. Part of nature or tree house themed parks or a commercial outdoor or indoor playground or fun center, the hollow tree slide brings the majesty of Mother Nature to the playground, and gives kids a chance to take their turn on this awesome slide.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
