

Fireman's Hat

"Honor the Heroes with this Magnificent Piece". Kids love all things fireman related. The truck, the hose, the ladder, and the hat...especially the hat! This piece of playground art was constructed by our team, in honor of fallen firemen, as part of a Texas community's tribute. At over 12 feet long and 5 feet high, the fire hat's glass fiber reinforced polymer finish is weather resistant and requires very little maintenance, resisting all types of weather damage. The detailed replica of an authentic fire hat will retain its spectacular appearance for years to come.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
