

Fish Pond Pergola

Yes, you can relax under a pond. This pond themed shade structure is a unique piece that is beautifully crafted from polymer stained glass. Our pergola is a wonderful option for botanical gardens, arboretums, lakeside parks, zoos, etc. The Fish Pond Pergola has 4 post toppers adorned with water lilies, cattails and lady bugs. Every item that we have is fully customizable. If you would like frogs or ducks up top, we can make that too. We customize to fit your needs and design. Each venue is unique and your shading should be too. If you have an idea in mind, let us know, and we will make to fit. If you don't know what you want, our design team is ready to help. Our talented artists have over 30 years under the belt, and can craft just about anything. To see other works of stained glass, check out our sister company Stained Glass Inc..
