

Folk Victorian Tree House

Kids entering The 4 Kids Folk Victorian Tree House find a magical world where the possibilities for make believe are as big as a child's imagination. The door to fun and excitement opens at the bottom of the tree itself, a perfect replica of the real thing, lifelike and realistic to the touch and to the eye. Your little tree climbers will begin their tour by making their way up to the Tree House itself, quaint and charming and catering to a kid's every play preference. Tree swings, upper level decking and a tunnel slide provide ample opportunity for physical activity to go along with any imaginative scenario a child can conceive. Awesome fun for kids, but also trusted by parents, the playgrounds by The 4 Kids are designed by experts who strictly adhere to stringent safety standards. Our team of gifted artists, engineers and designers create amazing play environments for your kids using high quality craftsmanship and materials, including glass fiber reinforced polymer. Virtually maintenance free and durable for years of use in all seasons, this playground scores high for quality.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
