

Football Sports Sphere

Kids can't kick The 4 Kids' Football Sports Sphere, but they can climb on it for awesome fun at the playground. The sphere offers kids everywhere a chance to interact in a fantasy world of football. Young football fans get a chance for some up close and personal interaction with the ball, crawling, climbing and balancing to their heart's content. Perfect for placement in outdoor parks or playgrounds, or as a feature play structure at commercial venues, football fields, stadiums or themed fun centers. Put one through the goal posts at your park, with a sports sphere from The 4 Kids.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
