

Framed T-rex Skeleton

Make an impression with our Framed T-Rex Skeleton. At more than 5 feet long and just under 3 feet high, this framed sculpture artwork is the perfect fit for indoor playgrounds, family rooms, man caves, offices, or children's themed bedrooms. It features a bas relief finish that adds character to any room or playspace. Our artists designed it using strong material that's UV-stable and requires no special maintenance. Plus, it's just one of many dino-themed and prehistoric pieces The 4 Kids offers.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
