

Garden Snail

Garden creatures. Big and small. From creepy crawly, with 100 legs, to slow and slimy without legs, we can make them all. This friendly Garden Snail is ready to play at the playground. At 4 feet long and less than 2 feet tall, it is the ideal size for little ones to climb and explore. Constructed of durable materials, this piece is weather resistant and will outlast the harsh weather and curious hands. Requiring very little maintenance, this snail will easily maintain its fun finish and happy smile. To complete your garden theme, we also have giant mushrooms.
