

Garlic Post Topper

The 4 Kids Garlic Post Topper goes a long way to setting up an exceptional evening out at your favorite Italian restaurant, or even in a food themed family fun center or culinary venue. Situated atop a utility post, the garlic design is meticulously detailed, tempting onlookers to reach out and pick. Flawless color and craftsmanship are captivating to everyone who enjoys this work of playground art, rendered by talented artists, sculptors and designers who specialize in décor accents for theme parks, community and commercial playgrounds, children's museums and family entertainment venues. Imagine the Garlic Post Topper set along a walkway as part of a collection of The 4 Kids Post Toppers to point the way to eateries in the park, or as a unique décor feature for a cooking center or culinary demonstration. The possibilities are endless for this one of a kind design, crafted with high quality technique and materials to ensure years of low maintenance and good looks in all kinds of weather conditions, including punishing salt sea spray.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
