

German Shepherd Pup Sculpture

Kids will be naturally curious about this sweet German Shepherd Pup Sculpture. It stands just over one foot tall, making it a nice fit for playgrounds in public parks, children's hospitals, daycares, or other places where toddlers and preschoolers play. Because this play sculpture is built using super durable material, little ones can safely climb and play with this pup. An adult German Shepherd Sculpture is also available. Give students, guests, or patients a family to play with!

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
