

# Giant Panda Play Sculpture

The 4 Kids' Giant Panda Play Sculpture makes your playground a haven for kids who love friendly, lovable animals. Zoo animal playground equipment and accessories make a trip to the park just like visiting a favorite zoo, with animals you can pet and play with. Black and white and fun all over, the panda is realistic, nibbling on a sprig of greenery and gazing across the playground, outdoor or indoor, at delighted children who relish the idea of a panda playmate. Meticulous, custom design and superior construction means the panda requires almost no maintenance in any kind of weather.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
