

# Giant Sitting Bear

---

---

A huge Sitting Bear towers over the children on the playground, but he isn't scary. Our Sitting Bear Play Sculpture is an enchanting piece that delights children and captivates adults. Realistic and artistically perfect, the bear can be custom designed to client specifications and comes in quality finishes that complement the craftsmanship. You can choose to have a brown bear or even a polar bear. The perfect accent for a nature themed park, restaurant, tourist shop and more. It also makes for the perfect photo op for tourist passing through.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
