

Goat Play Sculpture

One of the farm's most playful animals, the goat is sure to delight children of all ages, especially if it's one of The 4 Kids' Goat Play Sculptures. As part of a Farm or Frontier themed park or playground, the Goat Play Sculpture encourages kids from 2 to 12 years old to make friends with farm animals by balancing, climbing, crawling on and interacting with kid-friendly play equipment. Designed with a fascinating adherence to realistic detail, one expects this lively goat to bounce across the playground just like the kids do. Helping to nurture healthy coordination and lively imaginations, the goat playground feature is safe and sturdy.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
