

Golden Sphinx Sculpture

Nothing says Ancient Egypt like a golden sphinx, especially on an Archaeological Adventure themed playground inhabited by kids fascinated by archaeology. The 4 Kids' Golden Sphinx Sculpture brings an added dash of excitement, increasing the opportunity for interactive play and imaginative make believe. Created to appeal to kids from 2 to 12 years old, the golden sphinx is captivating to children in park, commercial, indoor or outdoor playgrounds, lending authenticity to the decor of themed play settings. Constructed with glass fiber reinforced polymer, the play sculpture is durable and sturdy for years of wear in all weather.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
