

Grand Teton Gazebo

The Grand Teton Gazebo from The 4 Kids is not an ordinary playground shelter. Crafted with a superior design and a woody beauty, The Grand Teton is a wonderful addition to playgrounds, parks and commercial settings. Offering a higher level of shelter from the sun or elements, the Grand Teton Gazebo is crowned by a fascinating double roof design made from a bamboo inspired material that is warm and richly hued. A choice of five finishes for the gazebo is available, including concrete, realistic, stone and wood. Log supports lend a rustic charm that makes the gazebo a comfortable, captivating haven.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
