

Great Barred Frog

The Great Barred Frog is known to be native to Australia, so bring a piece of 'Down Under' to your park, with this realistically detailed play sculpture. All of the kids will be running for this cool piece. At four feet long and three feet tall, this giant frog is hard to miss. Crafted from glass fiber reinforced polymer, this sculpture is sure to last through years of hard weather. We have many finishes and colors available for you to make it your very own. The Great Barred Frog is also known for being nocturnal, so let us help you light up your park, playground or splash pad. We made some illuminated frogs for the Perot Museum in Dallas, TX; let us make these light up for you. Call our playground specialists today to get started on your nature themed playscape.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
