

# Great Dane

---

---

Let kids play, climb, and balance with a gentle giant. The Great Dane Sculpture is a sweet, life-sized climber that will capture the imaginations of children and spark their creative play. We've engineered this animal play sculpture with kid-resistant, weather-tough material that's suited for indoor or outdoor play areas. It's low-maintenance and doesn't require special cleaners. The 4 Kids Great Dane is a fun addition to projects like residential development playgrounds, children's hospitals, daycares, military base parks, or commercial playgrounds.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
