

# Grizzly Bear Standing

This Grizzly Bear Sculpture is ideal for any play area with a wildlife, frontier or zoo theme. Kids of all ages would love to hug a bear as this one already has his arms reaching out invitingly! In a standing position, the Grizzly is perfect for climbing or playing hide-and-seek behind, and as an educational opportunity to inform kids of the Grizzly Facts. Available in three attractive finishes, this realistic sculpture stands 7 foot 3 inches tall. It is constructed with strength and durability and is suitable for any environmental conditions. Just like his real-life counterpart, the Grizzly Bear Sculpture from The 4 Kids will strike an unforgettable pose wherever you place him.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
