

Hand Chair

Give 'em a hand when they want a seat. Like all our furniture and play sculptures, the Hand Chair is crafted from highly-durable material resistant to weather, UV light, and teenagers. The 4 Kids also offers this in a translucent finish, which can be lighted from the interior for a super-cool nighttime look. Use this chair in children's museums, youth centers, churches, lobbies, or waiting rooms - it's sure to be popular, so consider investing in more than one. The Hand Chair is also a fun seating option for homes and apartments.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
