

Hawksbill Sea Turtle

Hawksbill Sea Turtles are one of the smaller sea turtles, reaching a size of 4' long. A colorful reptile with an interesting bill, this tropical creature can easily fit into your setting. Kids will enjoy learning as this play sculpture offers hands on learning experience about marine animals. The children at your park, museum, or learning center will delight when they see a sea turtle that they can touch and climb on. It is the perfect height for little ones to crawl on, sit on and run around. We have many turtles to choose from to complete your ocean adventure park or playground. We even have a sea turtle nest! Call us today to pick out your marine themed sculptures.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
