

# Hen Sculpture

Cluck, cluck!  
Add barnyard  
beauty to your  
school, playground,  
exhibit, restaurant, or store  
with The 4 Kids Hen Sculpture.  
Shown here in the realistic finish,  
our artisans designed this with the  
kind of lifelike details that young and  
old will want to reach out and touch.  
But you don't need to worry about curious  
hands because, like all our art sculptures,  
this hen can handle it. We craft this with  
super-strong material that's as resistant to  
rough weather as it is to grabby toddlers.

The 4 Kids was born out of a  
desire to create high quality,  
one-of-a-kind  
park shelters and play  
environments that  
effectively appeal to  
children's natural curiosity  
and imagination.

All of our products are  
custom designed to  
work perfectly with your  
unique playground.
