

Hereford Bull

Like all of our outdoor items, the Hereford Bull will definitely catch the attention of passersby. Whether it's on a playground or in front of your steak house, this guy presents the perfect photo op. People will want steak, and kids will want to climb all over and under. Constructed of sturdy, weather-resistant materials, this piece can take it all. Place it in your farm themed playscape and in front of your ranch as a welcome to visitors. We also have a Black Angus Bull and a Southern Bull of the same size. Be sure to check out all of our farm animals and sculptures to really set the scene.
