

Hereford Steer Play Sculpture

Kids love farms, mostly because of the cool animals that live there, like cows. The 4 Kids' Hereford Steer Play Sculpture brings the country to even city kids in a fun and exciting Farm or Frontier themed playground. You can put a little Texas cattle ranch or Kansas farm in your playground, no matter where it's located, with a true to life Hereford steer worthy of the wide open range itself. Farm animals delight and captivate kids in park play areas, playgrounds, indoor fun centers and theme parks, and The 4 Kids' collection of farm and frontier animals for climbing, crawling and interactive play are safe, sturdy and superior.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
