

Hockey Stick

Sports are an all-around favorite pastime. Hockey, being one of them. This Hockey Stick was made for the Sports Icon piece at the Greenville Sports Park entrance, in Greenville, TX. A bit larger than the normal size, this piece was made to resemble the real thing, complete with a wrapped handle and ball for ball hockey. It is made of sturdy glass fiber reinforced concrete for a long life of enjoyment. Fitting in just about anywhere, this piece is ideal for sports arenas, parks and sports museums.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
