

Hollow Log Climbing Tube

Every kid knows how much fun it is to climb a tree, but how many have had the exciting experience of climbing inside a tree? The 4 Kids' Hollow Log Climbing Tube offers that very experience, in a safe and sturdy playground environment that is a kid's fantasy. Crawl tubes come and go, but this hollow log climbing tube is unique, part of a fascinating collection of tree house playground equipment that is amazing. Designed for kids 5 to 12 years of age, the climbing tube is safely constructed with low maintenance requirements.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
