

Horus Sculpture

Ancient Egypt is as close as the local playground, with the exciting presence of The 4 Kids' Horus Sculpture. Fitting for a playground setting, the sun god stands regal and majestic as he surveys the delighted kids enjoying make believe archaeological adventures in the Egypt of old. Also perfect in parks, themed playgrounds, or commercial fun centers, the Horus Play Structure is made of the most durable construction material, glass fiber reinforced polymer, for low maintenance and a high level of realism. Captivated by this superior playground feature, kids of all ages will be enthralled.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
