

# Hunting Spinosaurus Sculpture

Kids might not want to see this Spinosaurus lurking in the bushes outside their house--but they'll love it in your museum or themed attraction. The 4 Kids artists designed the Hunting Spinosaurus Sculpture with realistic features that add fuel to kids' excitement and imagination. From the top of its impressive sail to the tips of its treacherous teeth, this dinosaur sculpture is made to attract attention. We've engineered it with tough material that's resistant to weather, UV rays, and curious (and brave!) hands.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
