

# Husky Pup Sculpture

These blue eyes will have kids and adults awwwing over the Husky Pup Sculpture. Pictured here with our popular realistic finish, this adorable and unique play structure is pretty enough to use as decor but tough enough to handle active toddlers and preschoolers. Lifelike details, from nose to tail, are recreated by our artists, giving kids a climber that will inspire their play and imagination. Add this cutie to daycares, preschools, children's hospitals, or public parks. The 4 Kids also crafts an adult Husky Sculpture.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
