

# Husky

---

---

This pup is ready for play! The Husky Play Sculpture gives children a safe structure where they can climb, play, and use their imaginations. From its pet-me eyes to its bushy tail, we've constructed it to withstand whatever Mother Nature and active kids can dish out. The colors are UV-stable, so you can count on it to stay vibrant for many years. We've shown it here in the realistic finish, but it's also offered in bronze and concrete finishes. The Husky Play Sculpture is adorable in playgrounds and play places at daycares, public parks, children's museums, and children's hospitals.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
