

# Indian Rock Climber

Bring out the explorer in your kids with this Indian Rock Climber. Once they have explored the lower levels of rock face, the ultimate challenge will be to conquer the heights and sit on the top slab! It is great for improving gross motor skills with all the balancing, climbing and jumping around. This innovative piece of park equipment is constructed from glass fiber reinforced concrete which is exceptionally strong and weather proof.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
